## Letter from the President

Many thanks to all who were involved in the planning and implementation of our January 20th candidate forums in Burbank! A lot of hard work, but a very successful event for all, great compliments from the candidates and members of the audience.

Our next event is our luncheon program planning meeting on February 14<sup>th</sup>, which will be fully paid for by the League. See below for more information

Following that, we are working hard on planning for the candidate forums for the Glendale City Council and Glendale Board of Education, beginning at 7:00 pm on March 5<sup>th</sup>. Please let me know if you can help out.

## Help Chart our League's Course

The League of Women Voters is the premier grassroots organization. Each League's program of activity is based on what its members decide to do, and this year we need to give advice on program to the state League as well. So every year we meet, discuss and recommend the next year's activities to the members at our Annual Meeting and to the state League for Convention.

So we are holding a luncheon meeting in February for a lively discussion. It will be held on February 14<sup>th</sup> at the Glendale Arts Council Community Room, 116 West California Ave, Glendale. Please RSVP by Wednesday, February 11<sup>th</sup>, so that we can arrange for the food, which will be paid for by the League
