## Letter from the President

It is no surprise that as an election year 2016 is going to be a very busy year for our League and Leagues around the country. For our League, in a change from our practice in recent years, we have begun planning candidate forums for the June 7<sup>th</sup> primary election, to be held May 3<sup>rd</sup> and 4<sup>th</sup>. The forums will include the congressional, supervisorial, state senate and assembly member elections.

You will soon be receiving an invitation to attend a League members' luncheon meeting in March. Please do join us for this event, not only to enjoy good food and company but also to be involved in planning these forums as well as other core work of the League in voter education for the rest of the year.
