Letter from the President

Well, a happy and healthy New Years to everyone! I hope you all had a wonderful holiday season with family and friends! We certainly enjoyed the League's Holiday Party, with great food and company.

As we are all well aware, we're into a total election immersion for 2016. Besides the all-consuming presidential election, we will also have interesting races for the Assembly and State Senate because our current representatives are both termed out. The League will be seeking out any and all opportunities to be of service to all of the voters in our communities.

LWVUS and LWV California

Things were generally calm during the holiday season because Congress and the state Legislature were not in session recently. Needless to say, work continues to go on at both levels of League, particularly LWVUS is hard at work planning for the LWVUS Convention in Washington DC in June.

But starting this week, both Congress and the state Legislature came back into session, so League must also be active to keep pace with events.
