## Letter from the President

You by now have received our invitation to enjoy our League's member luncheon on March 19th. I hope many of you can come, to join in a discussion about our candidate forums and other voter service efforts through the rest of the calendar year. We want your input!

We decided on holding candidate forums for the June election because three of the four incumbents (state assembly & senate, county supervisor) will be termed out this year, resulting in more interesting elections. There are already a good number of candidates in each of these elections.

With only one ballot proposition on the June ballot, our usual Pro & Con presentations will not be needed until the general election season later in the year—and then there will be an incredible number of them!
