Letter from the President

Renee Leask joined Chris and I for a very pleasant afternoon working a voter registration table as part of "Burbank on Parade" on April 23rd. We also had great help from Mary Dickson, who was working the WalkBikeBurbank efforts.

Following that, the League held three candidate forums (25th State Senate District, 43rd Assembly District and 5th Supervisorial District) the first week of May, with the help of many members and also members from LWV Pasadena Area and LWV Los Angeles. If you haven't had a chance to view the forums, you may find them replaying on the [Burbank Channel](#) or on the Burbank YouTube Channel at [25th State Senate and 5th Supervisorial District](#) and [43rd Assembly District](#). There were also articles about the forums in both the Burbank Leader and the Glendale News-Press.

At the invitation of the Glendale Public Information Office, we and the Women's Civic Club of Glendale are trying to set up a forum about the Glendale's Measure N, which would eliminate most of the existing Glendale utility tax. But we are having great difficulty in connecting with the proponents and opponents of Measure N, so it is unclear whether this event will happen.

Our next big event is our Annual Meeting on June 26th—more information will be coming to you soon.
