## Letter from the President

Well, the League is back at work!

The League of Women Voters is a strong supporter of National Voter Registration Day each September, and once again our League conducted voter registration locally. Renee Leask and Mary Dickson registered voters at the Burbank Farmers' Market on September 26th

We also started the new League year with participation in the LWVUS study on the US Constitutional Amendment Process on Sunday, October 4th. This study is a companion to another LWVUS update study on the LWVUS position on Money in Politics.

This study is an adjunct to the larger LWVUS on Money in

Politics. We will be holding meetings on this study later in the fall. We'll keep you posted on these meetings as we can schedule them.

You have all been invited to a fun event at the Autry National Center at 10:45 on October 24<sup>th</sup>. This is a guided tour of the exhibit "Empire and Liberty: The Civil War and the West," which also includes information about women's fight to secure the vote.
