Letter from the President

Our election activities are in full swing! In the past few weeks local League members participated in Pros and Cons training, conducted candidate forums for the State Senate seat in the 25th District and County Supervisor seat for 5th District, and registered voters at the Burbank Farmers Market. In addition, a team of speakers has been meeting with local groups and presenting the Pros and Cons on various ballot measures.

Why do we do this work? Because our democratic government depends upon the informed and active participation of its citizens. Our goal is to empower the citizens of Glendale and Burbank to play a role in improving our communities!

With only four weeks until the November election there is still much work to do. Read about our upcoming events in this issue of The Voter and join us!
